## BABY VOX – A SAFE INTERIOR THAT SUPPORTS YOUR CHILD'S DEVELOPMENT

The time of preparations for your child's birth is among the happiest in life. However, decorating the nursery may turn out to be a true challenge! We believe that the space we live in affects us in a direct way: beautiful and creative surroundings help us develop and increase our awareness. This is the reason why we want to create the best environment for children: one in which they will be able to grow up unhindered and can become outstanding and genuine people. Our furniture and accessories have been designed to safely and comfortably welcome the newborn member of your family to your home. Gorgeous colors and gentle shapes will help you prepare a dream room for your baby. In time, you will realize that your child's room is your favorite place in the whole house!

## LUNEA **NEW**

Elegant, sophisticated, and timeless – the Lunea collection is the quintessence of children's furniture from VOX. A delicate champagne shade combined with gold legs and refined handles creates an interior with a touch of luxury, style, and subtlety. Lunea will perfectly match the taste of discerning parents who value both aesthetics and quality craftsmanship. Lunea combines functionality, modernity, and prestige in one harmonious design.

## MEGEVE NEW

Megeve room refers to traditional but elegant mountain interiors. The most characteristic element of this collection is the 120x60 cradle bed, which has runners. You can use them to rock your child to sleep, or lock them to obtain a stable piece of furniture. Warm, traditional shades of white and oak are enriched with porcelain handles, which give a unique flavour to the dresser and wardrobe. Create a distinctive decor in your child's room. Megeve range is available in two colors: oak and white.

## VINTAGE

The design of the new Vintage collection resembles the style of the 1950s. Its elegant retro shapes will contrast with modern interiors. In more classic interiors, they will add a hint of pugnacity with its wooden, slanting legs.

## MID 2 BY VOX

For a baby, who sees the world from the perspective of their parents' arms, every object can be a little work of art. The new collection Mid 2 by VOX is a laboratory of good taste, where simplicity perfectly combines with modern solutions. Designed in the spirit of mid-century modernism, it is perfect for contemporary interiors of those who feel sentimental about the past era.

## OVA BY VOX

Ova by VOX is a symbol of modern simplicity and functionality. Warm colours of wood or grey/beige will create a cozy atmosphere for resting in the nursery. The simple classic chest of drawers and wardrobe guarantee enough space for baby clothes. The plain fronts with simple handles introduce harmony and safety to your living space. The cot can be later transformed into a comfortable sofa bed. As your baby grows, the VOX furniture evolves with them.

# COT ORGANIZER

VOX nursery cot organizer is perfect for storing all of baby accessories. It will also add a touch of sober and elegant decoration to the nursery. Easy to attach to bars using ribbons. Made of pure organic cotton, with no artificial fertilizers or chemicals used in crop production. Its fibers are stronger and finer than regular cotton, which makes the fabric softer to the touch and allows better air circulation between the fibers. As a result, organic cotton is hypoallergenic and will not irritate baby's delicate skin. The set is machine washable at 40 degrees. All materials used in VOX products are Oeko-Tex Standard 100 Class 1 certified (may be in direct contact with newborn skin). Available in 5 colors.
